**CLONCURRY** 28 June, 8.30am - 3.30pm  
Gidgee Inn Motel

**HUGHENDEN** 29 June, 8.30am - 3.30pm  
Hughenden Diggers Entertainment Centre  
*Morning tea and lunch provided.*

## THE WORKSHOPS PROVIDE YOU WITH:

- Identification of hazards and implemented controls recorded
- Safety Induction Forms
- Training Register
- Safe work procedures for the Rural Industry
- Injury and Illness Register
- Incident and accident reporting obligations and reports

*“I know from personal experience the cost to a rural family when there is an accident in the workplace. You are not only coping with that but having to address issues of knowing your obligations of reporting to WHS. Dealing with outcomes if you have not been compliant with meeting your obligations with WHS as an employer can be overwhelming. I wish that something like this had been available then to help me get started addressing those issues.”*

**CINDY HARTWIG, HARTBEAT TRAINING & CONSULTANCY**
