

CALL FOR APPLICATIONS

SOUTHERN GULF NRM BOARD OF DIRECTORS

Applications are invited for up to three people to join the Board of Directors of Southern Gulf NRM Ltd

Southern Gulf NRM Ltd is the only community-based, NRM-focussed organisation in the southern Gulf of Carpentaria region that works to:

- Protect and restore biodiversity values
- Improve water quality and facilitate coastal and marine management within the region.

Position Description

Applicants must have a range of skills including one or more of the following:

- Strong understanding of the natural resource management sector and /or an agricultural industry background– particularly in the Southern Gulf region
- Understanding of current and emerging policies impacting on NRM
- Strong links with the local communities and the ability to engage with stakeholders
- Governance and strategic planning skills
- Financial and business acumen.

If you are passionate about the Southern Gulf region and are interested in contributing your knowledge and skills to the future of natural resource management as a director, we would welcome your application.

A **Directors Pack** is available by contacting Southern Gulf NRM on: sisp@southerngulf.com.au.

Should you wish to discuss the role, in the first instance please contact Mrs Margot Richardson, Company Secretary on 0419 745 847.

Confidential applications must provide details of the nominee's reasons for nominating for the Board position, address the selection criteria being sought by the Board, describe personal qualities that would contribute to the Board and any previous experience of working on other Boards. Please use the following form. It should be accompanied by your *Résumé (maximum application size of two -three pages in length)*.

Applications should be addressed to Mrs Annie Clarke, Director Recruitment Committee and **lodged by email** at sisp@southerngulf.com.au by **5.00 pm on Wednesday 21 October 2020.**
